

## The Forest Challenge 2024 Videography & Photography Guidelines

1. Sponsor organizations intending to have videographers and photographers at the event must register them at the registration desk and pay a spectator fee of Ksh. 1,000 per person for forest access. Photographers and videographers without a valid pass will NOT be permitted entry into the forest.
2. Photographers contracted by participating organisations are ONLY allowed to take still photographs and video footage of their team members.
3. Forest Challenge organisers will NOT be responsible or liable for how video footage and still pictures taken by a sponsor organisations are used.
4. Video and still photographs taken during the Forest Challenge shall NOT be used to promote any other events.
5. The use of drones in photography at the Forest Challenge venue is strictly prohibited.
6. Photographers and videographers are required to ensure that their activities do not disrupt the event or create obstruction at the venue.
